2010 Annual Conference Dates and Site

The 2010 Annual Conference of the International Association of Insurance Fraud Agencies (IAIFA) is scheduled for November 16 and 17, Toronto, Canada. Robert F Craig, Vice President and Acting President of IAIFA expressed the Association's gratitude to the Investigations Unit, Legal Services Branch, Financial Services Commission of Ontario for organizing the site for the 2010 Annual Conference. Mr. Craig stressed the importance of participating in these annual meetings as they provide a good opportunity for members to be updated on the latest developments in insurance fraud worldwide and the procedures and action plans carried out to prevent the crime of insurance fraud and related financial crimes.

Therese Brennan-Hunt, Investigator at the Investigations Unit, Legal Services Branch Financial Services Commission of Ontario said we are pleased to bring the Annual Conference of IAIFA to Toronto, as the former director of the division Phil Yakobovich was one of the founding members of the Association. In addition, the very first meeting of the Association was held in Toronto and we are glad to be able to welcome back IAIFA to Toronto.

IAIFA is one of the largest multinational gatherings of its kind that includes members from government insurance regulatory authorities and fraud bureaus, law enforcement agencies, reputable insurance companies and other organizations interested in combating insurance fraud.

The main goal of the IAIFA is to move more efficiently to prevent and combat insurance fraud worldwide through coordinating the efforts, training and education of law enforcement agencies, government bodies and the insurance industry.
